2024 TAX ORGANIZER

T

This tax organizer has been prepared for your use in gathering the information needed for your 2024 tax return.

To save you time, selected information from your 2023 tax return has been entered in this organizer. Please line through any information that does not apply to your 2024 tax return.

In some cases, 2023 amounts have been included in a separate column. These amounts are for comparison purposes only. You do not need to change these prior year amounts.

If we may be of further assistance, please contact us at your convenience.

This letter is to confirm and specify the terms of my engagement with you and to clarify the nature and extent of the services I will provide. In order to ensure an understanding of our mutual responsibilities, I ask all clients for whom returns are prepared to confirm the following arrangements.

I will prepare your 2024 federal and requested state income tax returns from information that you will furnish me. I will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. I will furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information. Your use of such forms will assist in keeping pertinent information from being overlooked.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

My work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. I will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

I will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, I will resolve such questions in your favor whenever possible.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact me. Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, I will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

My fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to my office. However, if there are other tax returns you expect me to prepare, such as gift and/or property, please inform me by noting so just below your signature at the end of the returned copy of this letter.

I want to express my appreciation for this opportunity to work with you.

Electronic Filing

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically.
Do not electronically file the federal return
Do not electronically file the state return(s)
Note: The IRS and some states that require returns to be electronically filed also impose fees and/or penalties for failure to do so. If you checked either of the boxes above, you may be required to sign an "opt-out" form before we can release your returns. As a follow-up we will contact you to discuss these requirements and your ability to "opt-out" of electronic filing.
The IRS requires, and many states allow, the use of a Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.
Would you like to use a randomly generated PIN? Taxpayer No
